WEIGAND CENTER FOR PROFESSIONAL EXCELLENCE

ELMHURST COLLEGE

## **The Weigand Center for Professional Excellence**

### **Great Start on Your Future**

The Center for Professional Excellence helps you identify, shape and define your career goals, and connects you with people and resources to help make your dreams a reality.

### **Career Guidance**

We provide support as you explore a career path, starting with crafting a strong resume, conducting an effective job search and preparing for an interview. Our internship program helps you explore and clarify career goals while increasing your marketability and opening networking opportunities. Job shadowing offers the chance to accompany professionals through their work day to understand if a particular career might be a good fit. Mentoring establishes a longer-term relationship with a professional in a field of choice.

### **Study Away**

If you plan to study away from campus, the CPE will help you find a program that suits your needs. An overseas experience opens you to new ideas, languages and cultures and teaches you more about yourself.

### **Serve Your Community**

Just as study abroad can promote self-discovery, so can Service-Learning, which enables you to make a difference outside the campus by working at homeless shelters, schools, community centers and other nonprofit agencies.

### **Celebrate Diversity**

A key CPE component is our intercultural education program, which celebrates diversity and helps to bridge cultural divides by sponsoring lectures, workshops and leadership training.

### **Explore the Honors Program**

The College's Honors Program challenges highly-motivated students with additional opportunities to excel such as stimulating seminars and chances to conduct professional-level research, collaborates with all other areas of the CPE to deliver an enriched educational experience.

Questions? Please contact us. We'd be happy to tell you more about how the Center for Professional Excellence can help you reach your goals.

## **Chicago Fire Soccer Club**

**Industry:** Professional Sports

Chicago Fire Soccer Club is an American professional soccer club based in the Chicago suburb of Bridgeview, Illinois. The team competes in Major League Soccer as a member of the league's Eastern. It all began with a legend. On the 126th anniversary of the Great Chicago Fire, October 8, 1997, an announcement was made. The new Major League Soccer team assigned to Chicago would be called the Chicago Fire. Its inaugural season would be in 1998. The club's logo was designed to imitate the logo of the Chicago Fire Department, which is also known as a Florian's cross. The team's home kit colors of red shirts with white trim were also chosen to replicate firemen's jackets and have remained consistent throughout most of the team's history. ## **Friedman & Huey Associates**

**Industry:** Accounting

We are a distinctive full service certified public accounting firm serving clients in most of the United States. We have "large firm" expertise, yet small firm responsiveness and fee structure. We offer complete compliance services in virtually all areas of taxation. However, the true value of our services rests in consulting using insights way beyond mere compliance filings. We represent our clients before tax authorities even taking over any issues that previously arose with new clients. State and local taxation and related planning has grown to impact most of our clients with many savings opportunities. More and more taxpayers are affected by alternative minimum tax (AMT), the new net investment income tax (NIIT) and various tax benefit phase-outs. It is not enough for us to merely understand these rules so we pride ourselves on helping our clients understand how they are affected and why. Areas of expertise include individual, partnership, trusts of all types, estate, gift, corporation and for many of our clients', family limited partnerships. Visit website at <http://fhassoc.com/>

## **NOW Foods**

**Industry:** Supplement and Nutrition

When you see the orange label on NOW Foods products - you'll know you're getting something from a company that cares about the same things you care about.

The beginning of NOW Foods can be traced back to the 1940s, when the natural food and supplement industry was just getting its start. Since then, the company has grown into and remains one of the most well-known and trusted names in natural health.

NOW Foods is focused on much more than simply supplements. Other offerings include sports nutrition, natural beauty and personal care products, as well as nutritious, organic food. The pursuit of quality and customer care is hard to miss. The company made a conscious choice to *only* work with natural health stores and retailers like Natural Healthy Concepts.

NOW Foods is still a family-owned operation, and it strives to do good things in the world in addition to the quality products it produces. That includes community involvement, supporting and leading environmental efforts, such as The Nature Conservancy, and contributing to charitable causes. Visit website at <https://www.nowfoods.com/>
